## Minster Team Up With Worcester Warriors!

Minster are proud to announce that we have signed a sponsorship deal to support Worcester Warriors player, Ryan Mills, over the 2015/2016 season.

As part of our approach to local community business initiatives, we opted to take a fresh look and review how we could support our local community.

A sponsorship-first for Minster, our Director, Nick Marlow, explained: "Minster continues to **experience positive business growth**, which in turn has enabled **our team** to support many more local and regional community and **charitable organisations**. After much deliberation and looking at a range of local community **sponsorship opportunities**, we decided on **Worcester Warriors and Ryan Mills** due to the clubs **business synergy** and Ryan's **positive personality** both on and off the pitch which is a **great example for young players** looking to establish themselves in the sport."

Ryan Mills

Mills joined Worcester Warriors in the summer of **2014 from Gloucester**, proving to be a **strong team player** and helping the **club to regain premiership status**. Warriors continue to build, investing in **ground refurbishments** and are firmly establishing themselves as a **successful Aviva Premiership club**.

**Ryan Mills commented:** "We've been really pleased with our start to the season and we have been **competitive in every game**. It's a **fantastic time for Minster to be supporting the Club** and I am looking forward to seeing them at our games this season."
